

Schuylkill School and Home Association Meeting

April 11, 2018

Agenda:

1. **Welcome**
2. **Principal's Report** (Dr. Harmer)

Dr. Harmer thanked everyone involved in putting on the fifth grade musical, Space Pirates. He thanked Mrs. Albee and Mrs. Cannon for author's day. Val Jones came and gave two presentations. The Father Daughter Dance was a hit again with Hollywood night. The Mother-Son kickball game is coming up.

3. **H2O Project** (Mrs. Kornaga and Student Council)

The Student Council gave a presentation on their project to raise money for a water bottle filling station. They needed to raise \$1200. They held a coin collecting contest and they raised \$770.46. The third grade won the contest and got extra recess. They presented a request for the additional funds to the SSHA. The request was granted. The district will match the funds to supply a second filling station on the second floor.

The presentation went well and the SSHA discussed having more student groups coming in to present.

4. **President's Report** (Cindy Schulz)

- a. Upcoming Elections – President, Treasurer

Both the President and the Treasurer will be completing their terms on the Board and will need to be replaced. The elections will be held at the next meeting.

- b. 2018-2019 calendar

We plan to have the Spring Fair and Field Day on the same day next year, the same as this year.

5. **Budget** (Katie Schneider)

The Budget is roughly in line with expectations. We are short about \$400 of our goal for the year, but we still have Petrucci's night and My Favorite Muffin Fundraisers coming up. We will make a \$3000 capital contribution to the All Abilities Playground. We are looking for someone who is willing to help and file the SSHA tax returns.

6. **Committee Updates**

a. Spring Fair

No one came to speak about Spring Fair, but the Board believes it is on track.

b. Cradles to Crayons Clothing Drive

We are looking for a chair for the Cradles to Crayons clothing drive. They will be accepting cash donations this year. The drop off day is May 18. Lauren McCann can share boxes, bins and handouts from last year.

c. New event ideas

We are planning on dropping Movie Night and one of the Bingo Nights next year. We will likely be planning a Family STEM night (free, currently planned for 3/13). A survey was conducted to see which types of events people would be most popular. A Costume Party or a Harry Potter night were the two most popular.

d. Open Committees

Music Teacher gifts collection

Moving Up Ceremony chair for this year (4th grade parent)

Publishing Center found a chair, but could still use help.
